To: SiliconSystems Customers
From: David E. Merry, CTO
Regarding: Declaration of 6 of 6 RoHS Compliance

Dear SiliconSystems Customer:

All SiliconDrives with the following part numbers are certified RoHS 6 of 6 compliant:

Description	Part Number
SiliconDrive CF	SSD-Cxxx(l)-35yy
SiliconDrive 2.5" Drive	SSD-Dxxx(l)-35yy
SiliconDrive PC	SSD-Pxxx(l)-35yy
SiliconDrive Module	SSD-Mxxx(l)-35yy

(xxx=capacity) (yy=SiliconSystems Proprietary)

The RoHS Directive bans the use of six hazardous materials. As defined, the limits apply to individual "homogeneous" materials within a product.

Chemicals	RoHS Compliant
Cadmium <0.01%	✓
Hexavalent Chromium <0.1%	✓
Mercury <0.1%	✓
Polybrominate Biphenyls (PBB) 0.1% max	✓
Polybrominated Diphenyl ethers (PBDE) 0.1% max.	✓
Lead <0.1%	✓

As the legislation and associated standards continue to develop, SiliconSystems, Inc. will continue to strive to improve our SiliconDrives and comply with industry standards.

Best Regards,

David E. Merry
Chief Technology Officer
SiliconSystems, Inc.
